TANDOORVALA BY MAKERS AND MERCHANTS

TANDOORVALA'S ELECTRIC TANDOOR ADVANTAGE VIZ-A-VIZ COMPETITOR'S

Most important **completely safe with no danger of loss of life** viz-a-viz other, since these operate on extremely **low volatage (50-110)** where as competitors run on 220/400 voltage (very dangerous).

Tandoorvala's electric heater have **no contact** with tandoor's body whereas competitor's tandoor heater touches body, Risk of shock.

Tandoorvala's heater can be **repaired easily** by welding, competitors heaters poor quality life 4-6 month, needs replacement.

Tandoor vala electric tandoor **uses less power** then competitors .Example size 30"x30"x36" -7kw other 9kw , size : 36"x36x36 - 10kw others 12kw +. **Cost saving** in long run.

Tandoorvala's heaters made of **6mm/7mm rod** whereas other made of thin wire.

Tandoorvala's electric tandoors have **multi safety features** for human being and heaters, whereas competitors have only temperature controller in the name of safety.
